

ME-110 Unicoder Cable C23-ME-110-CBL \$6.00

Create a polarized cable connector assembly for the Nubotics Unicoder ME-110. This kit includes polarized connectors and flexible ribbon cable.

Package Contents

This kit includes one 2X6 2 mm (.078 in) polarized header, one 25.4 cm (12 in) ribbon cable and one press-fit connector for the ribbon cable. The polarized header needs to be soldered onto the unicoder as shown.
