

HiTEC Sound Sensor H10-SOUND-SENSOR \$11.99

This sensor detects sound at or above 80 dB.

When powered up, the sensor maintains a logic high on the signal output. Once the sensor detects an input, a logic low will be asserted on the signal output.

- Operating Sound: more than 80 db

- Operating voltage: 5 V
- Dimension: 13.0 x 29.0mm (0.51 x 1.14 in)
- Weight: 7.1 gm (0.2504 oz)
- Wire length: 320 mm (12.59 in)
